FAHAD AHAMAD ANSARI

Frontend React Developer | React.js Developer

Mobile: 8765440445 | Email: fahad.ansari.webdev@gmail.com | LinkedIn: www.linkedin.com/in/fahad-ahamad-ansari-0403-f

PROFESSIONAL SUMMARY

Frontend React Developer with **2.3+ years of professional experience** in developing responsive and user-friendly web applications using **React.js, JavaScript, Next.js, TypeScript, HTML5, CSS3, Tailwind CSS, and Bootstrap**. Experienced in building reusable React components, integrating REST APIs, managing application state using **Redux and Context API**, implementing responsive UI, debugging issues, and working with Git and GitHub. Worked on healthcare, logistics, CRM, AI, and educational web platforms.

PROFESSIONAL EXPERIENCE

CodeScriptors

Frontend React Developer | June 2024 – Present

- Develop responsive and user-friendly web applications using **React.js, JavaScript, HTML5, CSS3, and Tailwind CSS**.
- Build reusable and maintainable **React components** for different application modules.
- Integrate **REST APIs** and handle API responses, loading states, errors, and frontend data flow.
- Use **React Hooks, Redux, and Context API** for state management and application functionality.
- Develop responsive interfaces for different screen sizes and devices.
- Implement user interactions, forms, navigation, and application features.
- Collaborate with team members to understand requirements and implement UI and functional changes.
- Debug and fix UI, functional, and API-related issues.
- Use **Git and GitHub** for version control and collaborative development.
- Test application features and ensure proper functionality across different scenarios.

PROJECTS

Adiba Healthcare Platform

Online Doctor Consultation Application

- Developed frontend modules for both **Doctor and Patient** users using React.js.
- Implemented separate login and registration flows for doctors and patients.
- Developed doctor profiles, professional details, availability, and appointment management features.
- Implemented doctor search based on specialization and appointment booking based on available time slots.
- Integrated REST APIs for authentication, doctor data, appointments, and application functionality.
- Worked on **chat and video consultation** functionality for doctor-patient communication.
- Implemented loading, error, and responsive UI states; fixed UI and functional bugs.

Apex Load

Logistics Platform

- Developed responsive frontend interfaces using React.js.
- Built reusable components for different logistics modules.
- Integrated REST APIs and handled frontend data flow.
- Implemented responsive UI and interactive application features.

Agent CRM

Multi-Tenant SaaS Platform

- Developed frontend modules for a multi-tenant CRM application.
- Built reusable React components and responsive interfaces.
- Integrated REST APIs and handled application data.

• Worked on UI functionality, debugging, and feature enhancements.

Health Presso

AI Platform

• Developed responsive user interfaces using React.js.

• Created reusable components for different application modules.

• Integrated APIs and handled frontend states and user interactions.

• Worked on UI improvements, debugging, and functional enhancements.

BBS College Website

• Developed responsive website interfaces using modern frontend technologies.

• Implemented reusable UI components and responsive layouts.

• Worked on user experience and cross-device compatibility.

TECHNICAL SKILLS

Frontend: React.js, JavaScript, Next.js, TypeScript, HTML5, CSS3

React & State Management: React Hooks, Redux, Context API, React Router, Reusable Components

API Integration: REST APIs, API Integration, API Response Handling, Error Handling

UI & Styling: Tailwind CSS, Bootstrap, Responsive Web Design

Version Control: Git, GitHub

CERTIFICATION

Frontend Development with React.js

KP Group of Institution / Vinu Education Group | May 2023 – December 2023

EDUCATION

Master of Commerce (M.Com) — University of Allahabad | 2022 – 2024

Bachelor of Commerce (B.Com) — Allahabad State University | 2019 – 2022

Intermediate — Allahabad Inter College | 2017 – 2018

High School — Allahabad Inter College | 2015 – 2016
